Re: **City of Santa Clara, Electric Department – Facility # A0621**  
**Administrative Amendment**

Dear Mr. Broadbent:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review Permit for the City of Santa Clara, Electric Department. (Facility Number A0621).

The purpose of the amendment is to change the name from Silicon Valley Power back to City of Santa Clara, Electric Department. The name change to Silicon Valley Power was mistakenly made in a previous amendment dated September 17, 2002. The facility does business as “Silicon Valley Power”, but the legal ownership is with the City of Santa Clara, Electric Department.

The phone number of the facility contact, William J. Reichmann, was also changed at his request.

A copy of the Major Facility Review Permit is enclosed for your information. If you have any questions on this matter, please call Ted Hull, **Air Quality Engineer, at (415) 749-4919.**

Very truly yours,

Ellen Garvey  
Air Pollution Control Officer
